# daily use toilet cleaner

delphis  
eco

**Our EU Ecolabel accredited toilet cleaner is designed for a daily cleaning regime to kill germs and deodorize where bacteria breed.**

It easily removes limescale, rust and stains from toilets and urinals and is safe to use on all washroom surfaces including chrome, porcelain enamel and stainless steel. Scan the QR code below for more info.

## benefits

- ✓ fast acting
- ✓ viscous clinging formula
- ✓ light citrus perfume
- ✓ no aggressive mineral acids
- ✓ reduced impact on aquatic life
- ✓ reduced use of hazardous substances
- ✓ phosphate and phosphonate free
- ✓ safe in septic tanks if used as directed
- ✓ readily biodegradable
- ✓ not tested on animals

## application and directions

**Do not use** on sensitive metals. Test on a small area first.

**Toilets and urinals:** apply directly to affected area. Leave for 10 minutes, brush and flush away.

**Washrooms:** dilute 1:10 parts water. For all hard surfaces including taps, sinks, showers, stainless steel, etc. Apply with a damp cloth to affected area. Leave for 10 minutes then wipe and rinse with clean water. For larger surface areas such as floors, use a mop and bucket.

**Proper dosage saves cost and minimises environmental impact:** Delphis Eco encourage proper dosage and users to reduce waste going to land fill by recycling empty bottles. Use the above dilution ratios for best results.

## areas of usage

- washrooms
- baby changing areas
- toilets
- public conveniences

## safe handling and storage

Full guidance on the handling and safe storage of the product can be obtained from the safety data sheet including first aid measures and health and safety requirements.
