

# BOWL COLLECTION

## Versatile style

Bowl foods are the trend of moment and our versatile Bowl Collection adds value to any menu. Introducing five new shapes, each individually styled with a selection available in sapphire blue or cinnamon brown reactive colour glazes, to enhance any table presentation. Great for event dining,

side portions, soups and salads the bowls are also available with multi-functional lid / side plate, adding versatility to your dining solutions. The range can be complemented by our Art de Cuisine wooden trays, adding a fresh solution to any tabletop presentation.

# BIT ON THE SIDE

## A contemporary collection of six savvy sidekicks

The main course might take centre stage, but our Bit on the Side collection make appetisers, side dishes and salads steal the spotlight. A range of six contemporary side dish pieces, these savvy sidekicks present side orders in an exciting and memorable way. Combining durability, versatility and

ease of use. These stylish and multi-functional pieces can be used for countless occasions, enhancing food presentation. Designed to mix and match with existing Churchill Super Vitrified ranges, Bit on the Side beautifully complements our X Squared, Orbit and Evolve ranges.
