

Classic

Classic, with its understated elegance provides the perfect blank canvas upon which to create a culinary masterpiece. Offering purity, simplicity and elegance to suit any cuisine or interior decor, its deep bowls and wide rims will enhance food presentation and delight the discerning diner.

A flexible and versatile range, it offers practicality and versatility with the added benefit of a glazed foot which protects surfaces against scratching and metal marking, in addition to being more hygienic than a traditional unglazed foot. As with all Churchill Whiteware, it mixes perfectly with items from our ranges to offer inspirational yet economical solutions.
