

Cif Oven & Grill

Introduction to Business Solutions

At Diversey we aim to understand your business and know that it's got to be first time right. This is why we have introduced a new product range, called 'Business Solutions'. The range consists of products which targets the truly professional business needs coupled with well-known and trusted brands. By giving you excellent cleaning results, you can focus on your core business such as serving your guests or caring for your patients.

Kitchen Cleaning Solved

Diversey's complete range of Cif and Domestos cleaning products allows you to clean every area of the kitchen and the restaurant ranging from chopping boards and ovens to greasy floors and sticky tables. Whatever the need, Cif and Domestos have the solution. Now also with fragrance free products specifically developed for food preparation areas, as well as powerful disinfectants for a safe and hygienic kitchen environment.

Product Description

Cif Oven & Grill is for use on ovens, grills, salamanders and griddles. Not for use on aluminium, non-alkali resistant surfaces or self clean panels.

Benefits

- Quickly removes tough grease and burnt-on food.

Cif Oven & Grill Cleaner

Directions For use

Application areas: Ovens, grills, salamanders and griddles.

Preheat the surfaces to be cleaned between 50°C and 70°C. Switch off the equipment before applying. Spray Cif Oven Cleaner onto surface. Leave for 5-30 minutes. Rinse thoroughly with clean water. If the oven has not been cleaned regularly, several applications may be necessary to remove the toughest carbon deposits. Refer to appliance manufacturers cleaning instructions before use.

Do not use on aluminium or non-alkali resistant or painted surfaces. Do not use on self clean panels.
