

GreaseAway EL 25 DEGREASER/GRILL CLEANER

GreaseAway EL 25 is a very effective ready-to-use degreaser and grill cleaner, that cuts through grease and soil deposits. Its non classified formula used together with the foam trigger avoids aerosol emission for a safe working environment. **GreaseAway EL 25** can be used in automatic cleaning ovens and thanks to its special formula, is easy to rinse and leaves no residues on walls.

Application: Grills, ovens, stove hoods, broilers, fryers, bakery ovens, microwave ovens and all other surfaces and utensils that need an effective degreasing action.

DIRECTIONS FOR USE

- 1 Check the hygiene plan and product label for detailed use information.
- 2 Wear protective gloves when using **GreaseAway EL 25**.
- 3 Turn off oven and grill or other appliances to be cleaned. Always start from the back of the oven to the front. The temperature should not be higher than 50°C.
- 4 Spray **GreaseAway EL 25** on the surface to be cleaned.
- 5 Allow the product to penetrate grease deposits for 5 to 10 minutes, depending on the level of soil.
- 6 Scrub stubborn soils if necessary. Wipe off dissolved and loosened grease with a damp cloth or paper.
- 7 Rinse surface with plenty of water.
