

## **Horizon Deosoft Breeze**

# Fabric softener with long lasting fragrance and odour neutralising technology

#### **Horizon Deosoft Breeze**

- Odour Neutralising Technology
- Outstanding softness
- Antistatic
- Long lasting fragrance

## Breathe in and smell the difference

**Horizon Deosoft Breeze** is a new fabric conditioner by Diversey, which has patented new fragrance technology, taking us into a new era of functional softeners.

This superb odour neutralising technology (ONT) eliminates residual odours which may linger after laundering. It does this by targeting odour-causing molecules and neutralising them.

New, multilayered fragrances add a touch of luxury to your fabrics. The Deosoft Breeze fragrance was developed to offer the rich scent profiles you and your customers enjoy.

Fragrance endures through long drying cycles and long storage times, ensuring your fabrics always smell freshly laundered.

## **Complete solutions**

Horizon low temperature wash programs including Horizon Light and Bright combined with **Horizon Deosoft Breeze**, provide superior and sustainable fabric care for all your linen.

- Superior cleanliness and hygiene
- Durable, fresh scents
- Measurable operational savings
- Extended linen life
- ▶ Reduced environmental impact

Complete Horizon solutions are the smart choice in fabric care.

## **Horizon Deosoft Breeze**

## **Usage instructions**

- ▶ The softener should be applied in the last rinse of a washer extractor or in the last section of a continuous batch washer.
- Please not that this product should not be used on articles made of micro polyester fibres such as kylies, cleanroom garments, water repellent theatre linen and cleaning microfibre cloths/wipes.

## **Recommended dosage:**

▶ Horizon Deosoft Breeze

Dose at 3 – 5 mls per Kg dry goods

## **Top tips**

- ▶ Always check your articles care label.
- > Sort your wash into whites, light colours and dark colours and then by fabric groups.
- Never overload the machine as this can cause a poor wash and ultimately damage the garments or the machine.
