

Soft Care Lux Hand Soap

Lux Hand Soap

H2

Description

Lux Hand Soap is a top quality mild handsoap suitable for Hotel bathrooms, shower rooms and sports clubs.

Key properties

Lux Hand Soap is based on a mild blend of surfactants and humectants. The product cleanses mildly whilst caring for the skin in such a way that it will not change the skin flora too much. Next to that Lux Hand Soap has a skin neutral pH which means that the skin pH is not disturbed very much. The product contains humectant which cares for the skin during washing. Lux gives a rich and foamy feel which gives a feeling of luxury. This combined with a unisex modern perfume makes it very suitable for a mild handwash. The high quality brand image of Lux will ensure confidence at the user and will enhance the quality image of your establishment.

Benefits

- Excellent sensory properties
- Contains mildness ingredients
- Unisex perfume
- Skin neutral pH
- High quality brand image

Use instructions

Apply one or two dosed from the dispenser to the pre wetted hands and wash hands well until a rich foam will form. Rinse away with luke warm water. Dry hands well.
