

Menu Plates

A contemporary platform for crockery, Menu is the perfect blank canvas for food.

Inspired by the individual restaurateur's hunger for exceptional food presentation, Menu offers strong design and product choice to whet any appetite.

The modern, European style shapes with fine profiles are lightweight and easy to handle. Menu boast's an exciting collection of broad rim feature pieces, giving a contemporary ambience to any interior. Perfectly complemented by the striking, slanted holloware pieces that add both food and business presentation.

The Art de Cuisine professional porcelain body, specially designed by Churchill, ensures Menu is more than capable in the kitchen.
