

## Sapur freeze

### Chewing gum remover

- Effective and thorough removal of chewing gums without injuring the carpet.
- Handy 500 ml aerosol bottle.
- Leaves no sticky or smeary residues.
- Contains no solvents.
- Freezes the chewing gum immediately.
- Ready-to-use product.

#### Application area

For all textile floorings.

#### Directions for use

Check that chewing gum is completely dry. Cut the top of the gum cautiously with a knife. Spray Sapur freeze from a 3 cm distance for some seconds directly on the chewing gum until it is completely frozen. Lift off the gum with a spoon. Vacuum up the loosened particles with a vacuum cleaner. A frozen spot remains which disappears in some minutes.

Brush up the carpet afterwards with a Floormatic 360 or 460.

#### Storage

Do not store above 25 °C.

#### Packaging

6x500 ml spray bottles in a box **302812**

**Pressurised container: Protect from sunlight and do not expose to temperature exceeding 50°C. Do not pierce or burn, even after use. Do not spray on a naked flame or any incandescent material. Keep away from sources of ignition. Do not smoke.**
