

Sapur shampoo

Carpet shampoo

- Deep cleans carpets.
- Gentle on carpet fibres.
- Excellent protection against re-soiling.
- Outstanding foaming features.
- Easy handling.
- Pleasant fragrance.

Application area

For all colourfast and water resistant carpets. Check colour fastness and material compatibility in a hidden corner first.

Directions for use

Check carpet for colour fastness prior to application. Switch off floor heating. Vacuum the carpet thoroughly. Add Sapur Shampoo diluted 1:6 to 1:15 into the single disc machine's tank. Shampoo the floor and remove the soiled foam immediately using a wet vacuum.

Storage

Store in a frost-free place.
pH value (conc.) 8.5 - 9.5

Packaging

2x5 L jugs in a box

**SAT5
302302**

10 l PE-jug
