

No Rinse Floor Cleaner

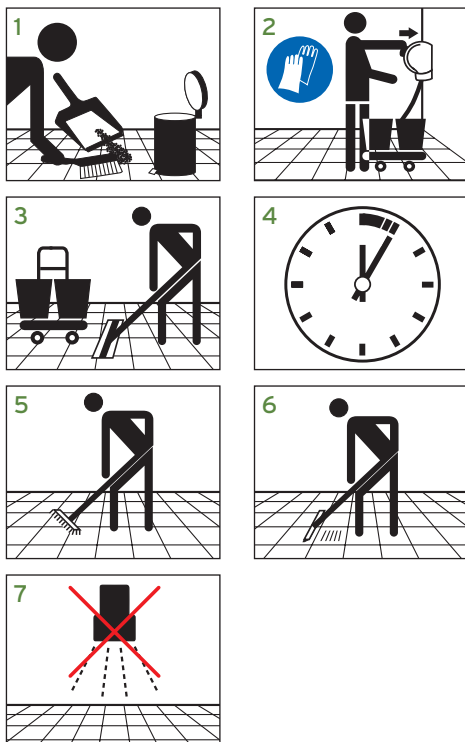

WASH' N WALK is a revolutionary 'no rinse' floor cleaner formulated to permanently remove grease and fat from slippery floors. Based on patent-pending technology, WASH' N WALK degrades deep down grease deposits making floors clean and safe.

The advanced formula combines biological ingredients with traditional cleaning agents to eat away the grease build-up commonly found in restaurants and foodservice operations.

- Clean - Attacks the grease and eliminates the deep-down cause of slippery floors
- Safe - Is proven to increase the friction of slippery kitchen quarry tile.
- Efficient - Saves cleaning time - No rinsing is required
