1. Interpretation

In these conditions, "The Company" means Pattersons (Bristol) Ltd; "Goods" means the goods the subject matter of the Contract; "The Buyer" means the person, firm or Company with whom the Contract is made by the Company; "The Contract" means the Contract for the sale or supply of the Goods.

2. General

These Conditions shall apply to the Contract to the exclusion of any other terms and Conditions contained or referred to in any order, letter form of Contract sent by the Buyer to the Company and the provisions of these Conditions shall prevail unless expressly varied by agreement in writing and signed by a director on the Company's behalf.

3. Orders

Notwithstanding any detailed quotation of the Company no order shall be binding on the Company unless accepted in writing by the Company.

4. Prices

- The price payable for the Goods shall be the prices of the Company current at the date of dispatch unless otherwise contracted.
- The Company reserves the right to issue new price lists at any time without prior notice.
- All prices are exclusive of Value Added Tax which will be charged at the appropriate rate.
- The price of the Goods shall be due in full to the Company in accordance with the Contract and the Buyer agrees not to exercise any set-off, lien or any other similar right or claim whether in respect of any alleged defect in the Goods or otherwise.

5. Terms Of Payment

- The Buyer shall pay the invoice price of the Goods (less any discount to which the Buyer is entitled, but without any other deduction) by the end of the month following the date of the invoice.
- The time of payment shall be of the essence of the Contract.
- Without prejudice to its rights the Company may (both before and after any judgment) charge interest at a rate in line with the late payment legislation.

6. Delivery

- Any date quoted for delivery of the Goods is given in good faith but is approximate only and the Company shall not be liable for any delay in delivery of the Goods howsoever caused. Time of delivery shall not be of the essence of the contract.
- The Company will incur no liability (whether in contract or for negligence or otherwise) for loss or damage to or defect in the Goods prior to delivery or for any claim that the Goods are not in accordance with the contract (being a defect or loss, damage or non-compliance obvious on a reasonable inspection of the Goods) or for non-delivery, unless such claims are notified in writing to the Company (and, in the case of claims for non-delivery, loss or damage, with a copy to the carrier); within 14 days of dispatch date.
- In the event of a valid claim for non delivery, loss or damage, the Company undertakes at its option to replace the Goods at its expense but shall not be under any further liability in connection therewith. Where Goods are replaced at the option of the Company, the property in the replaced Goods shall revert to the Company.
- If the Buyer fails to give notice in accordance with the above the Goods shall be deemed to be in all respects in accordance with the Contract and, without prejudice to earlier acceptance by the Buyer, it shall be bound to accept and pay for the same accordingly.

7. Returns

Goods in accordance with the contract cannot be returned without the Company's prior written authorisation. Duly authorised returns shall be sent to the Company's premises at the Buyer's expense and a cancellation charge inclusive of loss of profits may be payable by the Buyer.
